ABSTRACT PREPARATION INSTRUCTION

The conference fees must be made before the abstract can be accepted. In order to achieve a uniform style, authors are requested to conform to the following:

Title : Limit your title to a maximum of twenty (20) words.

Authors : Starting after the title, list each author's name in capital letters. The name should include the first and the middle initials. Place an asterisk (*) after the name of the presenting author. Addresses may be abbreviated. Asterisk only one name per abstract.

Institution: The name (s) of the institution(s) must follow the last author's name and should be enclosed in parenthesis.

Content of the abstract

Authors are required to use clear typeface of minimum size 10 pitch. All text of abstract must contain the following:

(For investigation type project)

Objective of investigation : The content of abstract must contain a brief statement of the objectives of the investigation.

Method used : The content of the abstract must also contain a brief description of the experimental methods used.

Results : Essential results including data and where appropriate, statistics should be clearly stated in the abstract content

Conclusions : Conclusions should be underlined.

Supporting agency and grants : Where supporting grants have been received, the agency and grant number should be quoted.

Mode of presentations

Oral presentation:

Microsoft Power Point Presentation only (all equipment provided)

Presentation last for 12 minutes followed by 3 minutes Q & A

Poster Presentation:

Presented on a poster board in the exhibition hall

Size of poster (40"height X 30" width)

Note:

Abstract should be submitted in both hard copy and soft copy.
